FOR IMMEDIATE RELEASE

RAMAKER & ASSOCIATES OFFERS A \$5,000 GRANT FOR CEMETERY SOFTWARE

Do you or someone you know want to have CIMS (Cemetery Information Management System) software, but can't afford it? Well, Ramaker & Associates is offering you the opportunity to make a dream come true with a grant of up to \$5,000 worth of CIMS software!

Rules:

All grant applicants must be a non-profit cemetery and willing to tell us about their cemetery and its needs. The criteria for selection of the grant recipient will be based on creativity and need. The grant application should include one of the following options: Write an essay of no fewer than 200 words, create a video not less than 5 minutes in length, or use your imagination to express your cemetery's needs. We want to help you, so put your creativity to work and be rewarded. Tell us why you need CIMS more than any other cemetery.

The recipient will be chosen by a pre-selected group from Ramaker & Associates, Inc. The recipient will be contacted directly and also listed in the next newsletter following the award of the grant. All grant applications must be received by 4:00 pm CST on June 1, 2007. The decision will be made public on or before July 20, 2007. This should make it possible for CIMS or CIMS Light to be up and running for the winning cemetery by the end of the year.

To Enter:

Fill out the grant application form in our most recent newsletter or the one found on the web at www.1cims.com/grant2007form.html. Make sure to include your description, video, etc. and send the grant application by registered mail or delivery to:

Ramaker & Associates, Inc.
Attn: CIMS Grant
1120 Dallas Street
Sauk City, WI 53583

Deadline is 4:00 pm CST on June 1, 2007. No entries will be accepted after this time.

CIMS, Cemetery Information Management System, is a custom-tailored, computer software application specifically designed for owners and managers of cemeteries. Ramaker & Associates has been providing software solutions for cemeteries since 1998 and have nearly 250 clients nationwide and internationally currently using the software.

For more information or to learn more about CIMS, contact Brandon Finley at Ramaker & Associates at 1-800-332-7532 or visit www.cimscemeterysoftware.com.
